## Women, Infants & Children (WIC)

WIC is a federally funded supplemental food and nutrition program for eligible:

- Pregnant women
- Postpartum and nursing mothers
- Infants and children up to age 5

WIC helps families eat well and stay healthy by providing:

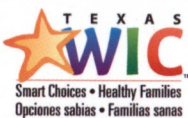

- Nutrition education
- Supplemental food benefits
- Breastfeeding education
- Breast pumps
- Growth check-ups for children
- Health care referrals, including immunizations.

Our WIC Agency is a milk depot for Mothers' Milk Bank of North Texas:

- Donated milk is collected, pasteurized, and distributed to critically ill and premature infants.
- Donor milk is uniquely superior and can be lifesaving for fragile infants.

Call 940-761-7816 for information.

## Public Health Preparedness

The goal of the Public Health Emergency Preparedness Program is to conduct planning and preparedness activities to help the community be ready for public health emergencies. One way we do this is by providing community emergency preparedness information for the public. This induces:

- Facts about the risks in our area
- Tips for making a pre-disaster plan
- Checklists for family and pet emergency supply kits

Call 940-761-7910 for more information about how you can be ready for emergencies.

## Tobacco Prevention & Control Coalition

The goal of the Tobacco Prevention and Control Coalition (TPCC) is to reduce tobacco usage rates in Wichita County in adults and youth by 5%. The Centers for Disease Control

and Prevention Best Practices for Comprehensive Tobacco Control:

- Prevent tobacco use among youth
- Promote compliance and support adequate enforcement of federal, state and local tobacco laws
- Increase cessation among youth and adults
- Eliminate exposure to secondhand smoke
- Reduce tobacco use among populations with the highest burden of tobacco-related health disparities
- Develop and maintain statewide capacity for comprehensive tobacco prevention and control

FREE fresh start classes are available to help quit all types of tobacco and nicotine.

Call 940-761-7635 for information.
